2013-2014 Orange County Grand Jury Report:

“Domestic Violence: Help Is Available.”

Response to Finding F10

The process for requesting a temporary restraining order from the Lamoreaux Justice Center in the city of Orange is burdensome for domestic violence victims living in southern Orange County communities.

**Response:** The Office of the District Attorney agrees with this finding.

Response to Recommendation R7

Orange County District Attorney should request the Orange County Superior Court to consider allowing requests for restraining orders to be faxed to the Lamoreaux Justice Center from the domestic violence shelter that receives County funds and is located 25 miles away.

**Response:** The recommendation has been implemented. A letter of support to finding F10 was delivered to the presiding judge of the Orange County Superior Court on April 18, 2014.
