Presiding Judge of the Superior Court

**Re: "Orange County City Pension Liabilities-Budget Transparency Critically needed"**

Dear Judge Sanders:

The City of Fountain Valley has reviewed the 2013-2014 Orange County Grand Jury Report, "Orange County City Pension Liabilities-Budget Transparency Critically needed". We understand the impact and implications of the report and desire to respond accordingly. Unfortunately the City Finance Director recently retired and although it was our hope to find a replacement that could immediately take office we were not able to do so. The new Finance Director will not be starting until October 6, 2014. I regret that this will be after the Grand Jury due date of September 23, 2014. In as much as the City will not have an appropriate position in place to respond by the deadline, we respectfully request an extension of the deadline until December 31, 2014. This will give the new director time to familiarize himself with the report and provide a response that is appropriate for the City and the Grand Jury.

I sincerely apologize for any inconvenience this extension request may cause, as I fully understand the need for a timely response. It is my hope that you will see fit to grant this extension as I believe it is in the best interest of all parties involved. I look forward to hearing your decision.

Regards,

Bob Hall  
City Manager
