Pursuant to the letter from the Orange County Grand Jury dated April 24, 2015, a response to Finding F.4 is required from the Board of Directors of the Irvine Ranch Water District.

Finding F.4 states:     The Irvine Ranch Water District processes 21.9 million gallons per day of wastewater and recycles 20.2 million gallons per day for purple pipe use.

This letter will confirm that the Irvine Ranch Water District Board of Directors agrees with Finding F.4.
