Subject: Response to Grand Jury Report, "Revisiting Orange County Restaurant Food Safety: Improving Placard Visibility for the Public's Best Interest"

Dear Judge Sanders:

Please find below the final update and close out regarding the County's response to the Grand Jury Report, "Revisiting Orange County Restaurant Food Safety: Improving Placard Visibility for the Public's Best Interest."

As referenced in my November 12, 2014 letter, the Health Care Agency (HCA) conducted outreach within the districts and returned to the Board at the November 25, 2014 meeting with recommendations for two possible scenarios for Environmental Health Inspection Placards and Fees. The Board considered the item and a motion was made to approve Scenario A, which included the cost of color placards. The motion failed for lack of a second, and there was no further Board action on the item.

If you have any questions, please contact Jessica O'Hare of the County Executive Office at 714-834-7250.

Sincerely,

Michael B. Giancola
