RE: Status Update Related to City of Irvine's Response to Orange County Grand Jury Report "'Irvine' Great Park: A Legacy of Hubris?"

Dear Mr. Hersh:

In response to your attached March 7, 2016 letter requesting an status update on two items raised in the Orange County Grand Jury Report, "'Irvine' Great Park: A Legacy Of Hubris?," released June 30, 2015, I submit the following:

R.2. The City of Irvine should give serious consideration to dissolving the Orange County Great Park Corporation as it serves no intrinsic purpose (F 13).

On January 12, 2016 the City Council took up the Grand Jury's recommendation to dissolve the Great Park Corporation. Following thoughtful consideration the City Council determined that the extraordinary responsibilities of the Great Park Board of Directors necessitates that separate time be set aside to ensure that proper attention is given to such matters, in addition to the many responsibilities associated with governance of one of America's fastest growing and most successful cities.

R.7. The City of Irvine should create a master document that lays out all of the terms and conditions of the ALA, ARDA, ALA II contracts and alterations to the Master Plan and Land Use Agreements. These need to be consolidated into one document of record which clearly indicates each party's obligations under the contract. (F7)

The City anticipates completion of the indicated summary document by April 15, 2016, and will forward a copy of that document to the Grand Jury by that date.
