RE: Progress Report 2015-2016 Orange County Grand Jury Report "Drones: Know Before You Fly"

Dear Dr. Carmody:

In response to your letter dated February 7, 2017, requesting a progress report on recommendations agreed upon by the City of Yorba Linda regarding drone regulations, the responses are as follows:

R.4. Each city should establish and publish on its website a point of contact for drone-related citizen complaints by December 30, 2016.

The City of Yorba Linda has implemented the above-mentioned recommendation by placing a notice on the City's website under Latest News. The point of contact is the Orange County Sheriff's Department, reporting should be directed to Sheriff's Non-Emergency Dispatch at (714) 647-7000 or (949) 770-6011. You may also find this information on the City's website at <http://ci.yorba-linda.ca.us/index.php/40-urgent/756-drones-know-before-you-fly>.

R.5: Each city should post FAA drone ownership and operation education links on city-related websites, newsletter, and flyers by December 30, 2016.
