Re: Buena Park School District's Response to 2011-12 Orange County Grand Jury Report,
"Anti-Bullying Programs in Orange County Schools"

To the Honorable Thomas J. Borris:

In accordance with California Penal Code section 933.05, the Orange County Grand Jury has requested that the Buena Park School District ("District") respond to Findings 1-4 and Recommendations 1-3, 6-7 in the 2011-12 Orange County Grand Jury Report entitled, "Anti-Bullying Programs in Orange County Schools."¹

Finding 1: Not all Orange County schools use the same technology, procedures and codes to record bullying or harassment incidents.

Response to Finding 1: The District agrees partially with this finding. The District agrees that not all Orange County schools use the same technology and procedures to record bullying or harassment incidents. Different districts use different databases and internal procedures to track bullying complaints. With regard to the codes used to record bullying or harassment incidents, prior to July 1, 2012, Education Code section 48900(r) defined bullying by reference to sexual harassment (Education Code section 48900.2), hate violence (Education Code section 48900.3), and harassment, threats and intimidation (Education Code section 48900.4). The law did not contain a stand-alone definition of bullying. However, as of July 1, 2012, Education Code section 48900(r) provides a stand-alone definition of the term "bullying." (AB 1156.) School districts throughout California are bound by this statute.

Finding 2: New legislation takes effect July 1, 2012, and broadens the definition of "Bullying."

Response to Finding 2: The District agrees that AB 1156 provides a broader definition of "bullying" than was contained in prior law.

¹ The Orange County Superintendent of Schools has been directed to respond to Recommendations 4 and 5.

Finding 3: Education Code section 234.1 requiring posting of anti-bullying/anti-harassment policies in prescribed areas was not evident in all schools visited.

Response to Finding 3: The District cannot comment on what policies are posted in all schools throughout Orange County, but can respond only on behalf of the District itself.

In regard to the finding that the District failed to post its anti-harassment policies in prescribed areas, the District agrees with this finding.

Finding 4: Based on witness testimony, confidentiality was not maintained in a bullying incident as prescribed in California Education Code section 234.1

Response to Finding 4: The Grand Jury report does not contain sufficient information to enable the District to respond to this finding nor does it identify which school district was involved in the alleged breach of confidentiality; therefore, the District disagrees wholly with this finding.

Recommendation 1: Recommend a county-wide compatible information system for reporting incidents of bullying be explored by all school districts.

Response to Recommendation 1: This recommendation will not be implemented because it is not warranted and is not reasonable. While all districts will comply with State-mandated reporting, such as the California Longitudinal Pupil Achievement Data System (CALPADS), it is not necessary that each district use the same internal procedures and technology to record reported incidents of bullying.

Recommendation 2: Recommend all county-wide schools agree upon the same definition of bullying.

Response to Recommendation 2: The District will not implement this policy because it is not warranted and is not reasonable. The District has no legal authority to obligate other school districts. However, it should be noted that the District is required by law to apply the definition of "bullying" contained in Education Code section 48900(r) in suspending and expelling students

Recommendation 3: Each district review standardized procedures to protect a bully victim and bystanders' confidentiality as stated in Education Code section 234.1

Response to Recommendation 3: The District will implement this recommendation by January, 2013. The District has recently adopted new policy 5131.2 Bullying which addresses requirements regarding retaliation and confidentiality. The District has reminded its school administrators of this policy in a memorandum dated September 26, 2012.

Recommendation 6: Recommend each district explore the development of a county-wide standard information system for recording incidents of bullying.

Response to Recommendation 6: This recommendation will not be implemented because it is not warranted and is not reasonable. While all districts will comply with State-mandated reporting, such as the California Longitudinal Pupil Achievement Data System (CALPADS), it is not necessary that each district use the same internal procedures and technology to record reported incidents of bullying.

Recommendation 7: All schools post anti-bullying/anti-harassment policy in offices, staff lounges and student government meeting areas as prescribed in Education Code section 234.1

Response to Recommendation 7: The District will implement this recommendation by November, 2012. Following the recent adoption of Buena Park School District Governing Board Policy 5131.2 Bullying, site administrators received direction to post the subject policy as required by law.

Greg Magnuson
