Subject: Progress Report - "Assembly Bill 939 Waste Diversion: Are We Finally Making Progress?"

Dear Ms. Avery-Andres:

This letter is to advise you of Fullerton's progress with regard to adopting an ordinance that addresses the issue of non-franchise haulers and unauthorized waste bins.

The City's original response, July 27, 2007, was to have the ordinance adopted and implemented by March 31, 2008. I have been in the process of amending, adding and deleting several areas of the City's solid waste ordinance which included the non-franchise haulers section. Every step of the way I have met with the City's Energy & Resource Management Committee (ERMC) for their review, comments and lastly, their approval.

At this time, adoption/implementation of the ordinance is anticipated on or before June 2008. Upon adoption/implementation of the ordinance a letter will be sent confirming the date it went before the City Council. Please contact the undersigned at 714/738-6573 if you have any questions or if further clarification is needed.

Sincerely,

Phyllis Garrova  
City Treasurer/Revenue & Utility Services Manager
