**RE: Orange County School Disaster Plans Report**

Honorable Judge Nancy Wieben Stock:

I would like to add the following response in addition to my initial letter dated 6/27/07. I would like to respond specifically to the Recommendation R-1 as directed.

The Irvine Unified School District agrees with the findings of the Orange County Grand Jury report.

The recommendation has not been implemented but will be implemented in the future. Although many of our individual sites have emergency plans that are SEMS compliant we are in the process of ensuring that all sites have SEMS equivalent plans. We anticipate that that each school site will have a SEMS equivalent plan ready to be submitted to the Orange County Department of Education for review by no later than October 15, 2007.

Thank you for your attention in this matter. Please contact me if you require any additional information.

Sincerely,

Gwen Gross, PhD  
Superintendent  
Irvine Unified School District
