Dear Judge Wieben Stock:

The following represents the response of the Los Alamitos Unified School District to the Grand Jury report, "Orange County School Disaster Plans: A Disaster Waiting to Happen."

F-1: The Los Alamitos Unified School District's Emergency Preparedness Plans at individual school sites were created some time ago and will be reviewed for SEMS equivalency.

R-1: All the schools in the Los Alamitos Unified School District have Emergency Preparedness Plans that are reviewed and updated each year. The District staff will review each individual school site Emergency Preparedness Plan to insure that the Plans are SEMS equivalent. Any Plans found that are not SEMS equivalent will be revised. All plans will be presented to the Superintendent for approval. All approved plans will be submitted to the Orange County Department of Education for review.

An electronic version of this response has been sent to the Orange County Grand Jury.

Sincerely,

Gregory A. Franklin, Ed.D.
Superintendent
