RE: Progress Report on Newport Harbor Moorings Grand Jury Report

Dear Mr. Perez:

The City of Newport Beach is in the process of assessing the mooring management and administration regarding recommendations R-1 and R-2, but has not yet placed any recommendations before Council for action.

For recommendation R-4, the City Council has adopted a new Title 17 to the City's Municipal Code; thus, the updates are completed.

We are still formulating an implementation plan regarding yacht clubs and trusts, and we have much public outreach to complete.

We will continue working on these issues as time permits, given other City priorities.

Sincerely,

HOMER L. BLUDAU
City Manager
